Green Hunter Sections - HU113

National, Regional I and Regional II competitions offering Green Hunter must offer all four sections.

- A horse may compete in only one Green Hunter fence height section at any one competition.
- Green Hunters are required to jog for soundness.
- Regardless of competition rating, each Green Hunter section that is offered separately must be held separately when there is a minimum of three entries. If there are fewer than three entries in a Green Hunter section, that section must be combined with a contiguous fence height section of the Green Hunter. If, after combining, there are still fewer than three (3) entries in the combined section, it must be further combined with the next contiguous fence height section of the Green Hunter.
- Green Hunter section(s) may not be combined with any other hunter section(s).
- “A” rated Green Hunter 3’6” and 3’9” sections must offer an over fence class as a handy hunter. A handy hunter class may be offered in any Green Hunter 3’ and 3’3” sections but is not required.

To be judged on performance, soundness, suitability and manners. To be scored under the open numerical judging system. Competitors in the Classic will receive a score for the designated 1st round classic class. The twelve horses/ponies with the highest scores from the first round will return to jump a second round over a different course. Each of the two rounds will count fifty percent (50%). In the event of equality affecting the selection of the top twelve, all those equal will qualify. The scores of the twelve horses/ponies in the second round will be added to the first round scores and placed in order of their total score for the two rounds. Horses/Ponies tied for first place only will jump a third round over a shortened course. Ties for all other places shall remain tied. EXHIBITOR NOTE: You must be entered in the Classic prior to being judged in the designated 1st Round Classic class in the division.

The TAKE2 Second Career Thoroughbred Program Inc. is committed to promoting and developing second careers for racehorses when they have retired from the track. Launched in 2012 by the New York Thoroughbred Horsemen's Association (NYTHA), in collaboration with the New York Racing Association (NYRA) and the New York Thoroughbred Breeders Inc. (NYTB), TAKE2 funds prize money and awards in hunter and jumper classes restricted to Thoroughbreds that are eligible to be registered with The Jockey Club. The program was offered at rated horse shows in New York, New Jersey (where it was sponsored by New Jersey Thoroughbred Horsemen's Association), and Texas (where it was co-sponsored by The Paddock Foundation) in 2012. In its second year, it was expanded to include more than 50 horse shows in 10 of the 12 U.S. Equestrian Federation zones across 18 states. TAKE2 highlights the success of Thoroughbreds as show horses. The goal is to create a market for retired racehorses, ensuring secure futures beyond the racetrack.
